UCEAP Course Suffix
UCEAP Official Title HUMAN GEOGRAPHY IN THE ANTHROPOCENE
UCEAP Transcript Title HUMAN GEOG/ANTHROPO
UCEAP Quarter Units 8.00
UCEAP Semester Units 5.30

Course Description

In this course, students explore the debate over the onset of the Anthropocene, and the unique contribution that human geographers can make to it. Students gain a firm grasp on how the idea of the Anthropocene is re-shaping geographical thought, and encounter concepts and methods from across the field of human geography which can help us to think in new ways about the past, present, and future of human-environment relationships.
