UCEAP Semester Units 4.00

Course Description

This course introduces students to a range of problems, positions, and arguments in the philosophy of mind - the philosophical study of mental phenomena and their relation to the rest of reality. The first half of term focuses on the mind-body problem - in particular the Problem of Consciousness. The theme for the second half of term is Self and Other - Where am I? Where is my mind? Can I know the minds of others?
