UCEAP Quarter Units 6.00
UCEAP Semester Units

4.00

Course Description

This practice-based course develops students' sense of nonfiction-writing as a creative act, and introduces some of the practical skills and techniques essential to a variety of forms including: memoir and the personal essay; biography; nature-writing; reportage and cultural criticism. Through studying a wide range of non-fictional texts, students explore the ways in which writers engaged in supposedly factual writing nonetheless take creative risks and make the same kinds of narrative decisions as fiction-writers.
