POL: CHANGING WORLD

UCEAP Quarter Units
8.00

UCEAP Semester Units

5.30

Course Description
This course introduces students to key concepts and ideas through weekly case studies in politics and international relations. Students explore issues such as authority, democracy, human rights, security, and nationalism though a team-taught course involving Politics and Internatinoal Relations staff. Each week staff introduce a case study, discuss key concepts, highlight different approaches in the literature to the challenge as outlined and propose possible solutions, linking these to wider theories about politics and international relations.

Language(s) of Instruction
English
