POL: CHANGING WORLD

**UCEAP Quarter Units**

8.00

**UCEAP Semester Units**

5.30

### **Course Description**

This course introduces students to key concepts and ideas through weekly case studies in politics and international relations. Students explore issues such as authority, democracy, human rights, security, and nationalism through a team-taught course involving Politics and International Relations staff. Each week staff introduce a case study, discuss key concepts, highlight different approaches in the literature to the challenge as outlined and propose possible solutions, linking these to wider theories about politics and international relations.
