Course Description

This course aims to equip students with the skills necessary to deliver effective and engaging impromptu speeches. In this course, students will learn how to apply various impromptu speech frameworks, including the PREP, STAR, and PPF models, to organize their thoughts quickly and communicate their ideas clearly. This course will also cover persuasive techniques, opening & closing techniques and strategies for building confidence and delivering impactful speeches on stage. Furthermore, students will develop transferable skills in critical thinking and non-verbal communication that can be applied to a variety of personal and professional settings.
