UCEAP Course Suffix
N

UCEAP Official Title
SOCIOLOGY OF EDUCATION

UCEAP Transcript Title
SOCIOLOGY OF EDU

UCEAP Quarter Units
8.00

UCEAP Semester Units

5.30

Course Description

This course covers various theoretical traditions of scholarship within the sociology of education, and explores questions about the role of education in society. It explores institutional based processes, such as institutional power dynamics, teacher labelling, the curriculum and "hidden curriculum," and the construct of ability. In doing so, the course explores the processes through which educational and social inequality are generated and how alternative forms of education might address inequality.
