Course Description

This course is part of the Laurea Magistrale degree program and is intended for advanced level students. Enrolment is by permission of the instructor. At the end of the seminar the student obtains good knowledge of the Italian grammar and good abilities of oral exposure and writing. The student is able to make appropriate linguistic choices in every kind of communicative situation. The student is be able to understand the academic Italian in relation to the degree course and to actively participate during the lessons. The seminar is structured in the following activities: improvement of Italian grammar and language; analysis of literary texts and essays, and reading and analyzing in Italian language; improvement of the oral exposure (comprehension and production); production of "professional" writings (self-presentation; letter of reference; institutional e-mail; presentation of cultural projects; and papers and essays); and comment and analysis of books, movies, shows and art exhibitions. Students must have completed the equivalent of two or more years of university-level Italian language study as a prerequisite for this course.
