Course Description

The course demonstrates the reasons for the collapse of the communist system in the Soviet Union and its consequences, with a specific focus on Russia and the Baltic states; the geopolitical consequences of the demise of the Soviet Union, and the subsequent reordering of global economic and geopolitical space; the nature of socio-economic changes in the region in the 1990s, and how different social groups responded to them; cultural change, with a focus on identity politics, gender and ethnicity; the political management of ethno-culturally diverse territories, and the renegotiation of national and ethnic identities; and the importance of the region for Europe as a whole, including a focus on Russia and the Baltic states' relations with the new enlarged Europe.
