4.00

Course Description

This course offers a critical introduction to United States history from the end of World War I to the present day. It is made up of four thematic sections which focus on: the state and political development; gender and sexuality; the US and the world; and race and ethnicity. The course focuses on historiographical questions that occupy scholars and interrogate change and continuity in political and social ideology during the 20th and 21st centuries.
