Course Description

The modern and contemporary history of China course is a compulsory course of ideological and political theory for undergraduates, provided by The Central Propaganda Department and the Ministry of Education .This course focus on the history of Chinese people against foreign aggression, fighting for national independence, overthrowing the reactionary rule and achieving national liberation in modern China. It will help students understand the national history, the historical process and internal rules of the modern Chinese society and the revolution. By this way, they will deeply understand why people choose the Marxism, the Communist Party of China and the road of socialism. This course was set up by Peking University since September 2006 and it was named to the quality courses of Beijing and China in 2008. Credit score: 2. schedule type: 2 hours a week, optional during two semesters. level: freshmen required. This course use the form of seminars as teachers will be separated into four teams, include presenters, a competent teacher, lectures and teaching assistants. The teachers will give you some lectures, and the traits of the course is the practical parts, such as broadcasting documentaries or films, writing exercises about the films, class discussion, visiting the exhibitions and so on. The assessment of students is flexible. Final exams accounts for 60%, which is open-book examination, the rest 40% include individual performance and essays.
