UCEAP Transcript Title INTRO FILM STUDIES
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description
This course explores the essential techniques and vocabulary for analyzing, explaining, and interpreting individual films. Students recognize and apply specialized film studies terminology by closely studying films drawn from a range of national contexts and historical periods. The course provides a framework for understanding the social and cultural importance of cinema—as both an institution and a contemporary art form.
