5.00

**UCEAP Semester Units**

3.30

### **Course Description**

The course offers a study of the conceptual framework of cultural heritage, from the theoretical point of view and the application of national and international legislation, to the reality of the expressions present in Chile today. It uses case studies, bibliographic reviews, and practical work in the field, to discuss the problems related to initiatives to safeguard and protect the intangible, material, and natural areas of cultural heritage.
