1.70

Course Description
Students acquire the basics of film language from the point of view of narrative. This course studies the structure, narrative, and story elements, such as character, theme, antagonist, conflict, and the three act structure and its development in script writing. Class time is devoted to the analysis of single sequences and scenes of various films. Students recognize dramatic and narrative elements, and present a cogent analysis of a selected film in a final paper.

Language(s) of Instruction
English
