Course Description

This course introduces student government and politics of America, including its major elected offices (president, senators, congress persons and state governors), nomination process (caucuses and primaries), political parties and candidates, campaign issues and financing, and the general election. The course also analyzes the cleavages that divide American societies, seeking to understand how race, ethnicity, gender, religion, region, and sexual orientation affect people's support for political parties and voting behavior. In addition, there will be discussion on American foreign policy.
