Course Description

This course is specialized for international students. It presents French history and its political institutions and provides a general knowledge of the French political and legal system. The course covers the history of French construction until 1789; constitutional history of France since 1789; the system of the Fifth Republic; executive power (President, Government) territorial organization; legislative power (the National Assembly, the Senate); judicial power (courts of private and public law, constitutional council); the territorial system (decentralization, local authorities); the distinction between private law, public law, mixed rights; and the hierarchy of norms.
