Course Description

This course aims to develop students' understanding of short fiction writing. More specifically, the course focuses on the core concepts of fiction writing such as theme and plot. In addition, students produce a piece of fiction using original characters and viewpoints. The course goal is to develop students' ability to express their ideas through creative use of language.

This course is open to ELA students who have completed their freshman ELA requirements and non-native English-speaking JLP track students who wish to further develop their English language skills.
