Course Description

This course is intended to give a panoramic view of contemporary China. The topics are restricted to different aspects of the status-quo of China, including people and nationalities, food and cuisines, languages and dialects, festivals and traditions, marriage and family, leisure and entertainment, arts and sports, traffic and transport, travel and world heritage, natural resources and environment protection, mass media and publication, education and research, politics and government, religions and beliefs, information technology and internet, cities and countryside. Each topic is framed into 10 to 15 questions and presented in an easily accessible way with statistic figures, stories, pictures and video clips from different sources in order to ensure objectivity. The aim of the course is to offer a panoramic view of contemporary China in the selected aspects and help understand the variety and diversity of contemporary Chinese society.
