Course Description

This tutorial course is directed towards those who are enrolled in the Advanced High Chinese levels of NTU General Chinese Language Course. This course does not use a specific textbook, but will discuss topics of interest chosen by the class to develop proficiency in listening, speaking, reading and writing. The course will provide a space to use appropriate Chinese to carry on discussions and read newspapers and magazines to further understand Taiwanese language and culture. By the end of this course, students are expected to be capable of expressing oneself fluently on the discussion of specific articles and topics. Student swill be capable of reading magazines and newspapers containing difficult vocabulary and special sentence structures.
