Course Description

The Pre-A1 Italian language course is the first contact level students have with the language, it is suggested to learners who could have great difficulties because they speak non-European languages or a very different language from Italian. In this level students learn how to communicate in daily routine using fixed expressions. The course consists of discussing communicative functions including introducing oneself and talking about oneself (name, age, university study, nationality, address, place of living, mobile phone number); saying and asking for personal information; greeting and answering greetings; saying thanks and replying; apologizing and replying to apologies; looking for and asking for information in daily life (place to go to, price and cost); asking and saying the time; asking and saying the date; being formal and informal; asking and understanding information about the Italian language: What's the Italian for "x"?, How do you spell "x"?, What does "x" mean?
