Course Description

The language part of the course improves and develops skills and strategies to successfully handle uncomplicated oral and written tasks and social situations confronted during daily life in the German language area. From there the course moves to the first stadia of a higher level of understanding and discussing texts and topics in the cultural and social field. The cultural part of the course provides an understanding of various cultural aspects of German, Austrian, and Swiss society including German post-war cultural history and current topics of the German news. The classroom language is German. An Intermediate Low (IL) level of speaking and writing is required.
