## Course Description

This course is for people with a basic knowledge of Italian and for people who have completed level A1. An intake is necessary when you do not have a recent A1 certificate. The course builds vocabulary and understanding of how the language works. Traditional learning materials as well as online learning tools, such as Google Classroom and social media are used. Although the content of the course especially focuses on speaking skills, additional work on reading, listening, writing, and grammar supports the language learning process. The teacher is a native speaker, and the group lessons are conducted in Italian. Instructions is only be given in English if it's necessary.
