Course Description

This course delves into the linguistic aspects and grammatical structures of the Spanish language. It explores phonetics, morphology, and syntax to develop a comprehensive understanding of Spanish linguistics. Emphasis is placed on analyzing the fundamental components of the language and examining how they contribute to effective communication. By studying the underlying principles of Spanish grammar, the course provides insight into its intricacies and evolution over time. A combination of theoretical discussions and practical exercises enhances proficiency in Spanish grammar and linguistic analysis.
