Course Description

This course is part of the Laurea Magistrale degree program and is intended for advanced level students. Enrolment is by permission of the instructor. At the end of the seminar, the student improves the knowledge of the Italian grammar. The student obtains the necessary linguistic abilities to understand and to analyze complex texts, as literary texts and related to the specialist bibliographies about the disciplinary area of the courses. The student is able to create texts in order to expose complex contents. The class is structured around the following activities: the analysis of Italian language through the study of literary texts and essays; an introduction to the reading of main bibliography of the courses in the first year of IS; producing texts and cultural and professional projects; commentaries and analysis of academic texts such as book, film, and art exhibition reviews and descriptions; and a focus on oral exposure aimed the presentation of cultural projects, events, shows, and exhibits. Students must have completed the equivalent of two or more years of university-level Italian language study as a prerequisite for this course.
