Course Description

This course combines the study of inequality and social structure in Spanish society with first-hand experience at NGOs and various other associations. Topics include: social inequality, and social stratification; the labor market in Spain -- an analysis of the current situation; immigration -- the Spanish experience; social mobility; changing values and secularization in Spain; transition to democracy and the awakening of civil society; consensus and conflict-- five decades of mobilization in Spain; social movements and the emergence of new political organizations in the 21st century; Spain in the global framework-- populism, polarization, and politicization of social life.
