Course Description

This course has a total of 32 class hours and is a beginner Chinese language course for international graduate students throughout the school. This course divided into two categories: (1) One is related to the content of the beginner Chinese (A) course, which requires students to have studied Chinese for at least 48 hours and master 200 Chinese vocabulary. Through the course, students will further expand their vocabulary, master more complex grammar, and fluently communicate with others on topics such as weather, gift giving, and being guests. (2) The other type is a single course for majors such as EMBA and GMBA. The course content is aimed at students with zero foundation in Chinese through course learning, students can master the basic knowledge of Pinyin, understand the basic structure of Chinese characters, master basic vocabulary and grammar structure, and be able to use the learned vocabulary to communicate on topics such as self introduction, time, and schedule.
