COURSE DETAIL

MEDICAL BIOLOGY 1
Country United Kingdom - Scotland
Host Institution University of Edinburgh
Program(s) University of Edinburgh
UCEAP Course Level Upper Division
UCEAP Subject Area(s) Biological Sciences
UCEAP Course Number 139
UCEAP Course Suffix
UCEAP Official Title MEDICAL BIOLOGY 1
UCEAP Transcript Title MEDICAL BIOLOGY 1
UCEAP Quarter Units 8.00
UCEAP Semester Units 5.30

Course Description

This course provides an introduction to the scientific basis of modern medicine and the role of biological sciences in the understanding and treatment of disease. This is delivered through a series of lectures, facilitated group discussions, a practical class and assessed written reports. The course provides a basic understanding of practical material relevant to biological sciences and enables students to develop personal skills in interpreting basic scientific research and communicating scientific ideas and information in a clear, accurate, and well-organized manner.
