4.00

Course Description

This course is a challenging introductory course and is specifically for non-History of Art students. The specific content changes each year, but the course introduces students to various themes and issues in architectural practice and patronage from the medieval period to the present day, focusing on buildings and sites in London such as Westminster Abbey, St Paul's Cathedral, Chiswick House, the South Bank Centre, the Barbican, and Canary Wharf.

Language(s) of Instruction
English
