SOCIOLOGY OF MEDIA

UCEAP Transcript Title
SOCIOLOGY OF MEDIA

UCEAP Quarter Units
6.00

UCEAP Semester Units

4.00

Course Description

The aim of this course is two-fold: to take a retrospective view to trace the evolution of media sociology, and a prospective view to assess current challenges confronting sociological analyses of the new media paradigm – monopoly-owned and user-driven digital platforms – the business models which underpin them, including algorithmic journalism, and their perceived "surveillance" effects.

Language(s) of Instruction
English
