COMPETITION LAW AND POLICY: CONTEMPORARY CHALLENGES IN A GLOBAL MARKET

UCEAP Transcript Title

COMPETITION LAW

UCEAP Quarter Units

5.50

UCEAP Semester Units

3.70

Course Description

This course equips students with an in-depth understanding of what competition law entails, alongside the broader policy issues that it raises. The focus is the structure and substance of the EU competition rules with a comparative assessment of other competition systems, particularly the laws of the United States. Since most competition systems globally borrow from one or both of these jurisdictions, the intention is to provide students with the necessary understanding and skills to address antitrust problems wherever in the world they arise.
