8.00

UCEAP Semester Units
5.30

Course Description

This course considers art from around the world in order to understand the ways in which different religions, power structures, and intercultural relations impacted upon artists, objects, and audiences. Students learn about the key works and ideas that underpin this period in the history of art. Lectures are supported by readings and activities on the course website. In tutorials, students put ideas and skills into practice. Some of the tutorials take place in Edinburgh's museums and galleries.

Language(s) of Instruction
English
