Course Description

This course presents Japanese traditional culture and health, through the practice of Bon Dance, or "Bon Odori." Bon Dance is a kind of dance performed at summer festivals in many parts of Japan. This dance features simple movements which represent a traditional sense of beauty; however, it is also a good cardio exercise. Each dance is introduced to the class through an explanation of the cultural and social significance of the dance to foster an understanding of the meanings behind some of the traditional movements.
