DIGITAL PLATFORMS

UCEAP Quarter Units
5.50

UCEAP Semester Units

3.70

Course Description

Through this course, students gain access to research-led lectures and the latest scholarship to properly understand how digital platforms work and the roles they play in society. Students apply this knowledge to case studies to understand how platforms are shaped and where citizens might intervene in their governance. Students engage in debates to think about how to critically engage with technological power and to mitigate the social harms of platforms.

Language(s) of Instruction
