UCEAP Course Suffix
UCEAP Official Title DESIGN 2 (CIVIL)
UCEAP Transcript Title DESIGN 2 (CIVIL)
UCEAP Quarter Units 4.00
UCEAP Semester Units 2.70

Course Description

Students' objective in this course is to deliver a design group project. Each design group acts as a consultant civil engineering company for the preparation of outline designs sufficient for planning and budget estimating purposes. The project location is on the northeastern part of the Lake District, a region and national park in England that was impacted by Storm Desmond in December 2015. The report includes a work program, construction method statement, and health and safety risk assessment.

Language(s) of Instruction
English
