UCEAP Course Suffix
UCEAP Official Title INTRODUCTION TO FEMINIST POLITICAL SCIENCE
UCEAP Transcript Title FEMINIST POLI SCI
UCEAP Quarter Units 4.50
UCEAP Semester Units 3.00

Course Description

This course introduces the various theoretical traditions and research fields of feminist political science. First, the heterogeneous field of feminist theories is presented (liberal feminism, radical feminism, socialist feminism through to intersectional, queer feminist and postcolonial approaches). Selected concepts and subdisciplines of political science are then discussed from a feminist perspective. Using the example of selected research fields, the previously introduced theoretical perspectives are subjected to critical reflection.
