Course Description

This advanced Chinese language course is for students who have taken Intermediate Chinese I of the Chinese Language Course for International Students or those who have taken at least 450 hours (6 hours per week) of Chinese language instruction. The course develops proficient language skills in listening, speaking, reading, and writing, for students to communicate effectively in their daily lives. The course instructs on vocabulary and grammar that are not often used in daily conversations. Students learn to use appropriate Chinese language leading in discussions leading to a greater understanding of Taiwanese culture and language. The course utilizes the textbook, *A Course in Contemporary Chinese IV.*
