Course Description

This course examines the relationship between Japan and Korea, with a particular focus on the impact of Japan’s colonization of Korea and its postcolonial legacies. Students gain greater insights into how the multifaceted intersections between both countries mutually impacts the shaping of their modernities, national identities, cultural politics, and globalization. The course focuses on various official and popular cultural forms such as museum exhibits, expositions, art, film, anime, TV drama, and international events to analyze the histories of these countries.
