Course Description

The course offers a variety of approaches to the practice of drawing the figure through the study of both technical and expressive skills. Students make studies from the nude figure (male and female) promoting a basic understanding of human anatomy and look at different aspects of drawing such as line, tone, and structure. Learning about methods of measurement and analysis, materials and techniques, providing a solid foundation of knowledge, skill and confidence on which you can build in your chosen way. Suitable for beginners and those with limited experience.
