Country United Kingdom - England
Host Institution London School of Economics
Program(s) London School of Economics
UCEAP Course Level Upper Division
UCEAP Subject Area(s) Statistics Political Science
UCEAP Course Number 124
UCEAP Course Suffix
UCEAP Official Title DATA FOR DATA SCIENCE
UCEAP Transcript Title DATA SCIENCE
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description

This course teaches students how to collect and handle date in a hands-on manner. The first few weeks of the course cover theoretical concepts through traditional lectures, but then the format shifts to a practical approach. Live coding demonstrations are used to guide students through the material, which can be followed in real-time. Python is the primary programming language used in staff-led lectures and classes, but students are also permitted to use R for their assignments if they prefer.

Language(s) of Instruction
English
