5.50

**UCEAP Semester Units**

**Course Description**

This course aims to help students learn Japanese for academic purposes through various familiar topics about society and culture. The target level is CEFR B1.2.

The course provides opportunities to complete various tasks using Japanese, enabling students to acquire the language skills necessary to perform the tasks and also increase their knowledge of Japanese vocabulary, grammar patterns, expressions and *kanji*. The final requirement of the course is a project presentation, where students present the results of their research on a particular topic. This course aims to enhance students' Japanese proficiency and their ability to comprehend and engage deeply with the content.

This course includes an elective component "Expand your World in Japanese."
