5.30

### **Course Description**

This course examines the major influences on and developments in feminist theory and gender and sexuality studies up to the present day. Among the topics considered are: gender and sexual difference and diversity, sexual politics and sexuality, the relationships between gender, sexuality, race, ethnicity and class, and postmodernism and post-feminism. These topics are explored in a global and cross-cultural context, through close engagement with the writings of key thinkers in the field.
