Course Description

The Elementary Italian course provides students with the essential language skills to communicate effectively in common Italian contexts, covering the first level of Italian proficiency. Through a communicative approach and a strong emphasis on active participation, it helps students to quickly improve their ability to interact with Italians. Engaging in role-playing, group work, in and out of class task-based activities and oral and written tests, learners are immersed in the Italian language, reinforcing their listening, speaking, reading and writing abilities. Assignments and projects deepen their understanding of Florentine life and Italian culture. By the end of the course, students acquire foundational language skills as well as insights into Italy's rich cultural tapestry.
