Course Description

Building upon the basis of Japanese 5, this course enhances skills and strategies to discuss complex topics such as social, cultural, and historical issues based on authentic materials. Students learn how to summarize long and complex texts, how to structure essays and skills to understand media materials. Students attain a good all-round proficiency in the four skills (listening, speaking, reading and writing) and can communicate with others in Japanese while handling more elaborate situations.

Language(s) of Instruction
