## Course Description

This course offers a study of the theory of social movements including features of social movements and key components for the emergence and development of social movements. It examines the history of social movements in three periods: 19th and 20th centuries (up to the 1960s); 1960s-1980s; 1990 to present. Finally, this course discusses specific social movements such as labor, racial and cultural rights, nationalism, feminism, environmentalism, LGBT, etc.
