Course Description

This course is for students at the Intermediate II level or above with prior knowledge of vocabulary, terms, and compositions of press and media related subjects such as politics, economy, diplomacy and international relations, wars and conflicts, political parties, and regimes. It discusses the most recent and important events both regionally and internationally by referring to various media sources either written or visual. In addition, news materials are discussed by referring to multiple news outlets and resources for the purposes of comparison. The course also heavily focuses on media-related vocabulary.
