Course Description

In this course, students encounter and work with a variety of German sources to refine their linguistic skills. It reviews and deepens students' knowledge of German grammar with an increasing focus on stylistics in both oral and written speech. Special emphasis is on practicing the subjunctive ("indirekte Rede") while studying and producing journalistic texts about the city of Berlin. This course also includes practical tasks, such as conducting interviews, writing blog posts, and rehearsing a play.
