Course Description

This course is designed for students who can understand the main ideas of complex texts on both concrete and abstract topics, including technical discussions in their fields of specialization. The goals of the course are to enable students to interact with a degree of fluency and spontaneity that makes regular interaction with native speakers possible without strain for either party; to produce clear, detailed texts on a range of subjects; and to explain a viewpoint on a specific issue, giving the advantages and disadvantages of various perspectives or options.
