UCEAP Transcript Title CONTEM LAT AM HIST
UCEAP Quarter Units 5.00
UCEAP Semester Units 3.30

Course Description

This course is a survey of the history of the Americas from the late 19th-early 21st centuries. While we will focus on Latin America and the Caribbean, we will also learn about U.S.-Latin American relations. Through weekly lectures and exploration of primary documents and bibliography, we will discuss four main themes: state formation; constructing national identity through popular culture; economics and commodities; and the intersection of race, class, and gender.
