UCEAP Course Suffix
UCEAP Official Title BERLIN AND THE POLITICS OF BUILDING SUSTAINABLE CITIES
UCEAP Transcript Title BRLN & POL SUSTAIN
UCEAP Quarter Units 4.50
UCEAP Semester Units 3.00

Course Description

The course focuses on Berlin as a case study of urban governance for sustainability. It compares local policy challenges in national and international contexts, developing a more nuanced view on the top down and bottom up strategies of building sustainable cities. The course combines a comparative policy analysis approach with concepts of international relations studies. The objective is to unravel the concept of sustainability and study its translation into politics and policies in multi-level governance structures.
