UCEAP Quarter Units 1.50
UCEAP Semester Units 1.00

Course Description

This course enables students to acquire some basics of Hong Kong Sign Language and the general principles for communicating with deaf people in a visual-gestural modality. With different videoed scenarios, students are systematically guided to acquire elementary signing skills for fulfilling basic communication needs in everyday situations. Emphasis will be placed on a range of simple, general-purpose expressions, which allow students to converse with local deaf people, as well as prepare themselves for learning the language further.
